# EJERCICIO NRO. 001

## 1. Creación del proyecto

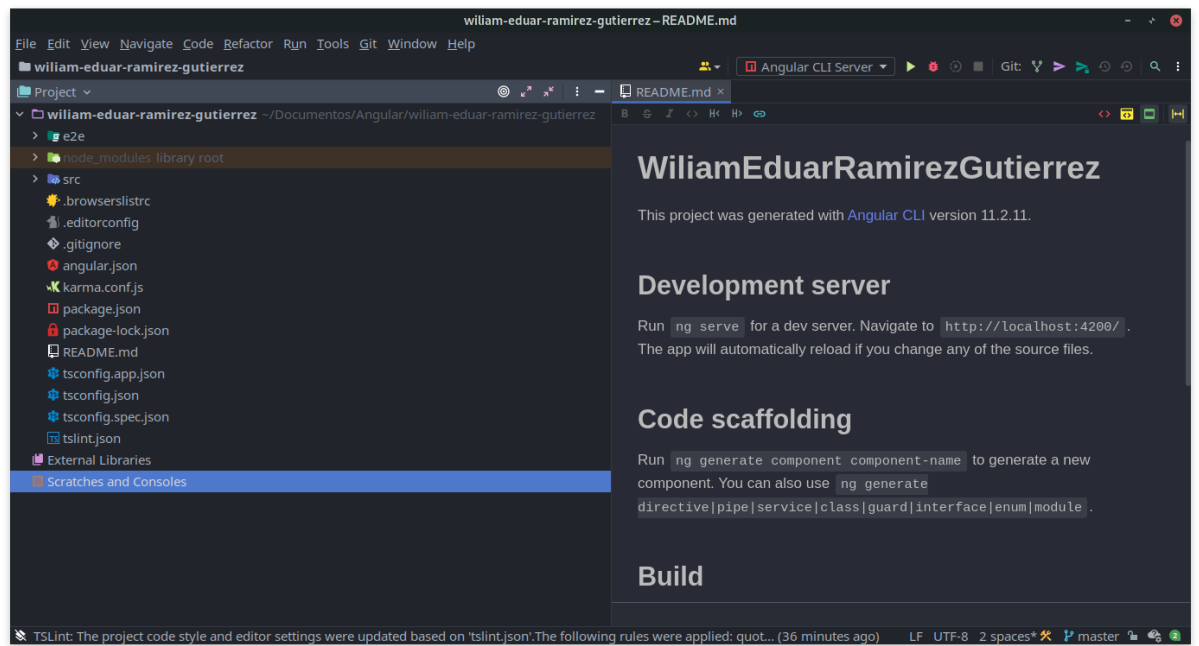

A terminal window with a dark background. The title bar shows a file icon, a search icon, and window controls. The terminal text shows the command 'ng new wiliam-eduar-ramirez-gutierrez' being executed. It prompts for 'strict' mode (answered 'Yes'), Angular routing (answered 'No'), and a stylesheet format (answered 'CSS'). A list of options with links is shown for the stylesheet format.

```
ng new wiliam-eduar-ramirez-gutierrez
~/angular ng new wiliam-eduar-ramirez-gutierrez
